Public Notice

Filing and publication of Audited Financial Statements for the year ended 31st January 2026

The Board of Directors of Doctors Hospital Health System Limited (“Doctors Hospital”) hereby notify the public of the following:

1. The Audited Financial Statements for the year ended 31st January 2026 were due to be filed on or before the 31st May 2026. However, our external Auditors, KPMG, advised that due to resource constraints, additional time was needed to complete the audit process, which would delay the production of the audited financial statements and the auditor’s report associated therewith. In all the circumstances Doctors Hospital has applied to the Bahamas International Securities Exchange (BISX) and the Securities Commission of The Bahamas (The Commission) for an extension of time in which to file and publish the said Report and Audited Financial Statements. Both BISX and the Commission have granted Doctors Hospital’s request. Accordingly, **the Audited Financial Statements and Annual Report for the year ended 31st January 2026 will be filed and published on or before 31st July 2026.**
