FOCOL HOLDINGS LIMITED CHAIRMAN'S REPORT

For the Year Ended September 30, 2024

The Board of Directors of FOCOL Holdings Limited (FOCOL) is pleased to present the audited results for the year ended September 30, 2024. Total Net Profit and Comprehensive Income for the year ended September 30, 2024 was \$29.6 million compared to \$32.6 million for the previous year.

FOCOL's 2024 performance continues to exceed its 2019 pre-pandemic performance by 6% and is below FOCOL's 2023 performance due to startup costs associated with new strategic initiatives in progress at year end. Management is confident that these new strategic initiatives, when fully operational combined with a robust local economy, will positively impact FOCOL's future profitability.

The company recently announced the commissioning of two new GE Gas Turbines at Clifton Pier and related plans to expand its power generation infrastructure. I am pleased to report that the project is progressing as planned.

I extend my sincere thanks to our loyal customers, dedicated staff, and shareholders for your continued confidence in FOCOL Holdings Limited.

Sir Franklyn Wilson, KCMG
Chairman.
